Congratulations to all those who shot in challenging conditions with a gusty wind and intermittent rain, especially at the end of the middle distance. Special congratulations to Jessica Davies who broke a county record on a day when I confidently predicted that no record would be broken!

Thanks to everyone who helped with setting up the field and with taking down the equipment, to the PTA for catering, to everyone who helped with scoring and to the field captains for keeping things in order. Your efforts are appreciated and the shoot wouldn't run without the volunteers who do all the work behind the scenes.

Lastly, thanks to all the archers who made the effort to attend – without archers there would be no shoot!
