Penalty Clause

The penalty clause works by allowing a 3rd score to be added to a team of just two archers. That score will equal the lowest score of any other team in that category less 150 penalty points.

Format

Each county enters teams of (up to) 4 archers, comprising two male & two female (with the top 3 to score) in senior & junior, Recurve, Compound, Barebow, and Longbow.

Distances

Senior Recurve & Compound will shoot - 6 dozen arrows @ 70m on a 122cm face

Senior Barebow & Longbow will shoot - 6 dozen arrows @ 50m on a 122cm face

Junior Recurve & Compound will shoot - 6 dozen arrows @ 50m on a 122cm face

Junior Barebow & Longbow will shoot - 6 dozen arrows @ 30m on a 122cm face

Timings

The timings for the day are:

10:45 Team managers meeting with organiser & judges

11:15 Assembly

11:30 Practice

12:00 Commence shooting

Scoring

10 zone scoring

FITA whistle signals & holes to be marked

"X"s & number of golds are not used in determining a winner. In the unlikely event of a tie for either a category or the overall competition, it is suggested that a limited number of arrows "head to head" takes place.
